

Patriot Group International (PGI) is aggressively searching for talented professionals wishing to become part of a corporate culture based on professionalism, trust, and the desire to excel. Patriot Group International offers competitive salary and benefits.

PGI has immediate positions available for the skill-sets listed below. Position locations are specified below. All positions are full time positions and require the candidate to perform work at the work site. Clearance requirements are specific to each position.

*Compensation is extremely competitive and is based on years of experience relative to the task performed. Compensation and benefits will only be discussed with qualified individuals with exhibited interest in accepting a position.

*PGI will not be able to consider applicants who do not have a current security clearance.

*Resumes and cover letters should be sent to PatriotTeam@Patriotgroupinternational.com Only qualified applicants will receive a response. In the subject line of the email, type the name of the position applied for.

This is not to support a proposal effort and all positions have already been awarded to PGI.
